

West Hills Symphonic Band, Inc.

www.whsb.org

To Our Community Partners:

The band presented its debut concert on January 29, 1967 and launched a musical organization that flourishes to this day. Over the years, the band has performed outstanding concerts throughout the Pittsburgh area with members from all walks of life who range from teenagers to folks in their eighties.

Our goals: Offer musicians of varying ages and ability a challenging means to develop and express their musical skills. Provide quality community concerts that enlighten, uplift and educate the audience. Promote a rich heritage and the vital role of the American community band.

Although concerts are free to the public, funds are needed for operating expenses, such as renting facilities for rehearsals and performances, buying new music, recordings, instruments, equipment and insurance.

We ask that you consider supporting the band by purchasing an ad. **Ads will run in every formal concert program for one year.** Your generosity will help ensure *West Hills Symphonic Band* will continue to provide quality concerts for years to come.
